Marketing Strategist (B2B, SaaS, SEO & Lead Gen) · Urchin Systems · Кишинев

Ноябрь 2022 - Август 2023 · 10 месяцев

Conducted SEO, website design, LinkedIn marketing analysis of competitors and provided recommendations for improving copywriting, design and used the information to build a marketing strategy.

Developed website prototypes for a new brand transitioning from OCR to RPA solutions. Responsible for the design process for a new RPA SaaS brand.

Led the creation and implementation of a strategy to increase the visibility of OCR SaaS and RPA SaaS service pages and informational materials on OCR and RPA for the B2B market. Organized and coordinated all stages of the process, from technical specifications for copywriters to lead generation.

Led Onpage SEO optimization, including keyword research, meta tags, content structure, internal linking, and page speed improvements to boost organic traffic and search engine rankings.

Created and optimized a lead generation funnel to generate leads through LinkedIn ads. Developed technical specifications for content creation on the website within this funnel.

Coordinated the work of copywriters and designers in the development of a website for a new RPA SaaS brand.

Worked with a designer to create engaging advertising banners and collaborated with Sales Managers to optimize the lead generation funnel and improve targeting efficiency.

Set up conversion tracking through Google Tag Manager.

Implemented and configured remarketing and analytics tracking.

Gathered and analyzed user behavior data using Google Analytics, Matomo, and Microsoft Clarity to support the Sales department in enhancing customer communication and improving funnel performance.

Ran the A/B testing process for LinkedIn ad materials and placements to increase CTR and lead generation performance.

Publicis Media Moldova · Performance Manager (SEO & PPC) · Кишинев

Март 2021 - Сентябрь 2022 · 1 год 7 месяцев

Performance reports using web analytics.

Paid Media & Campaign Management:

Managed and optimized performance marketing campaigns in Google Ads (Search, Display) to drive high ROAS and conversion rates.

Achieved a 250% ROAS in Google Search campaigns, exceeding media plan benchmarks for CTR, impressions, and clicks.

Executed A/B testing strategies to improve ad performance, messaging, and audience targeting.

Managed substantial advertising budgets, ensuring cost-effective allocation and performance-driven outcomes.

SEO & Website Optimization:

Conducted on-page and technical SEO audits, which increased organic traffic.

Developed keyword strategies and content recommendations to enhance visibility in search engines.

Collaborated with web developers to resolve technical SEO issues, improving site performance and indexing.

Data Analytics & Strategy:

Leveraged Google Analytics, Google Tag Manager, and Looker Studio to track campaign performance and user behavior.

Translated data insights into strategic recommendations, enhancing marketing effectiveness and ROI.

Created performance reports for clients, providing actionable insights and optimization strategies.

Industry Expertise & Clients:

Worked with brands across cosmetics (Viorica Cosmetics), consumer electronics (Samsung, mobile repair services), pet food (Nestlé Pet Food), and e-commerce (children's toys).

Developed and executed tailored digital strategies for each niche, addressing industry-specific challenges and opportunities.
